A: In my opinion, the black & white cat has been tagged with either
this category, or one of the tags, when it was uploaded to Youtube:
adult-tag yandere After looking through all the videos tagged with the
adult-tag (there are some good hits on the list) and doing a basic
Google search, I don't see any cats with names matching "milky",
"cat", "the" and "this" in them. I also searched through the "yandere"
tag, and came up with 2 hits (Yandere Simulator and Vampire Night 7)
in which cats playfully wrestle with each other. So I'm going to say that
the cat in the video is tagged as either an adult or yandere cat, but this
needs to be confirmed by an expert. $h e u n i t s d i g i t o f u ? 9 L e t y$
