Mike Cooper hosts a film series: The Quietus is a daily music, film, art and politics site created by Alexander Steffen. It is an alternative to mainstream media, with its radical and unrehearsed approach to new music, new ideas, new films, new exhibitions, new theatre, new art, new books and new politics. The Quietus' articles and interviews offer a counterpoint to the mainstream's stale conversations, making it an essential site for all lovers of the arts and humanities. This is the talk I recorded at the 28th The Secret Policeman's Other Ball. This is the talk I recorded at the 28th The Secret Policeman's Other Ball.
