You're about to witness a once in a lifetime accomplishment in the world of music! TuneCrack Cracked Version is the #1 most powerful online resource for learning to play the guitar! In one easy to follow program, you'll learn the basics of music theory at the same time mastering the guitar with the best online resource on the Internet. Combine these two at your own convenience The possibilities are endless! There are 4 major areas of functionality within TuneCrack Crack Keygen •The Learning Game: Learn music theory at a beginner level while practicing your guitar along side. The learning game teaches you music theory in a matter of minutes, then prompts you to combine the two. You can choose to play along in any key and try to match each lesson note as it is played. Also, you can choose from 2 difficulty settings, easy or normal, to customize your learning experience. •The Practice Game: Learn to play your guitar, simultaneously, while improving your sight reading and note reading skills. The practice game can be played from any key, enabling you to focus on your form or your technical skills. The practice game also has "abbreviated" modes to help you train your ear for the most common sheet music patterns. •The Fun Game: Find yourself a fun song and play along with the song alongside your own guitar. This one is suitable for any user from the beginner to the professional. Search for your favorite songs and enjoy them together with your guitar. •The Miscellaneous Game: Play a game or two that will take you back in time to the heyday of music, before there were guitars, before there were sheet music. Play songs on the piano in "what sounds right" mode and see how different the music is when played on a keyboard. This is an area to inspire you in your study of music theory and improves your ear in the fashion that guitar and piano players of yesteryear did, since at the heart of any great music is a great ear. Each of these games offers excellent value in terms of money and time spent, yet cannot be found anywhere else! NOTE: To make sure this works, you need: Windows: XP SP3 or greater. 512 MB RAM Sharing (File/Print) is not available in the Practice Game •FREE! Simply a69d392a70
