### What's New In?

This is a Gmail Notification Plug-in, which helps you to monitor your Gmail account. It checks your Gmail account every 5 minutes (you can change the interval by yourself) and notify you new mail by message box/ sound or Ms-Agent. This application is not freeware, you have to purchase it, but it is very light weight and easy to use.If you need Gmail Notifier Maxthon Plugin for other programs and make some donation for it,you can support us.Patrick Harrison Patrick Lee Harrison (born August 25, 1979) is an American former professional baseball infielder, who played in Major League Baseball (MLB) from 2002 to 2015. Harrison was born in Cottonwood, Arizona, and attended Val Vista High School. He played collegiate ball at Arizona State University and was drafted in the ninth round of the 2000 Major League Baseball draft. Harrison made his MLB debut with the Colorado Rockies on April 29, 2002 against the Los Angeles Dodgers. He was traded in January 2005 to the Oakland Athletics, with Lance Berkman, for Mark Redman. In April 2013, Harrison signed with the Washington Nationals, and in July 2013, became the first player in the newly renamed Colorado Rockies organization to strike out in the bottom of the ninth in a Colorado Rockies uniform when he struck out on three pitches. He was released on August 6, 2014 by the Colorado Rockies. He currently works for the Colorado Rockies as the Director of Player Development.
