## Hp Elitebook 6930p Fingerprint Reader Software Free 14

Fingerprint scanner not working on hp elitebook 6930p I am trying to install Ubuntu alongside Windows 8 on a HP EliteBook 8440p. I can not get the fingerprint reader (just single click on my finger) on to work. It is not listed in the bios nor in windows. I've tried following the guide on how to enable the fingerprint sensor in windows. Read more: Fingerprint reader - HP elitebook 8440p Could not find the answer to my question in any of the following forums: support/v3555/en/archive/index.html . Fingerprint reader problem hp elitebook The print is there, but the function is not working. A verification on my driver page says that the driver is in use. I don't have a solution for your problem except to see if the driver supports it. Fingerprint reader problem hp elitebook So now I am stuck. It has been so long. I don't even remember my PIN anymore! My fingerprint scanner's function is not working (on HP EliteBook 8540w). I can't find any setting for it on BIOS Setup to enable it... I also updated BIOS to latest version that comes with my notebook. So now I am stuck... Fingerprint reader problem hp elitebook I have an HP EliteBook 6930p with a brand new battery in it. I had no problems with the old battery. I've tried to look up the bios options but I can't find anything to enable the fingerprint reader. Does anyone know what options I can check to enable the "Android-style fingerprint scanner"? Thanks! mihddou. Fingerprint scanner not working hp elitebook Following the steps on this page, I have successfully 3e33713323
