What's New In?

- You can track your own schedule or view your team's activities with the calendar and day - Share and collaborate data with your colleagues using the database manager and data sharing center - Create, modify, sort and remove your appointments and events - Import, export and print entries - Add new appointments, tasks, events and reminders - Make use of desktop notes and diary entries - Manage personal tasks and notes - Set up permissions for each user - Free to use, free to share and free to modify 2 Comments I never wrote a message on this web site before, but I have to share a great experience with the software you've developed. I used it to help me organize work at the office, and it's been so helpful. Thanks for creating such a great product. I've recommended it to my friends and now one of them is using it, too. He also recommended it to one of his friends, and this friend is now a happy user of the software, too. Your software is really great! William Hillard Efficient Man's Organizer Network I never wrote a message on this web site before, but I have to share a great experience with the software you've developed.
