System Requirements:

-Trying to use the new Nightmare system - the screens can be pretty demanding on system resources. -The key sequences work best if you have a good internet connection (if in Australia, you may have trouble using the primary NPC, the German one is good. Since most European pcs have German OS, the English one won't work for you) -If you've played this game before, you will need to have a pretty basic knowledge of the game. -The new Nightmare system can take a long time to load on a bad internet
