book contained errors. to also prevent violent confrontations inside the arena and to limit the escalation of an attack. Additionally, placing frisks on attendee's bags, purses and pockets was a way to keep attendees safe and to make it so that none of the services attending could access and/or steal from the New World. This would be a move that will require staff from New World to trust each other and also trust the headliner in the arena to keep everyone safe. Just like with every other security measure adopted, this would also take some time to "get right."
