Protect a Hong Kong native from the corruption and crime around him. Fight your way through brutal criminals and the police as you become the city's most wanted. Sleeping Dogs adds a whole new level of mayhem to the cop genre. You can protect the peaceful livelihood of Hong Kong while hunting its street gangs, corrupt cops, and the four major triads. Experience a seamless open-world environment and a new martial arts system that allows you to fight in ways you never imagined. You can choose from four Chinese gangsters and nine police officers to play the role of the cop, or you can play the criminal yourself. You'll even unlock special skills as you advance, so it's possible to play through the game a number of different ways. Unlike other Hong Kong based games, Sleeping Dogs puts you into the shoes of Wei Shen, a young Chinese-born cop investigating a series of brutal murders in modern day Hong Kong. Throughout your investigation you'll engage in a variety of intense missions, learn the ins and outs of
